14 - willing to acquire
interest bearing assets (by
buying them with money) at
a lower interest rate.
Potential money
holders are more willing to
hold additional quantities of
money as the interest rate
(the opportunity cost of
holding money) falls.
Money, Interest Rates, and
Exchange Rates - Chapter
14 Interest Rate Derivatives
Overview
Our
study so far has assumed
that the interest rate (i.e. the
term structure of interest) is
known with certainty.
In reality, interest rates vary
randomly similar to stock
prices. In this chapter,
we present probabilistic
models of interest, Chapter
